Great American Ballpark

Located on the winding banks of the Ohio River in downtown Cincinnati, Great American Ballpark serves as the home of the Cincinnati Reds, baseball's first professional franchise. Although praised for its innovative features, breathtaking views, and affordable seating options upon its opening in 2003, Great American Ballpark also pays tribute to the Reds rich history.

It also provides a seating capacity of over 42,000, giving you an opportunity to reach these 42,000 fans on their way to the game, as both of the suggested boards are within a two mile radius of the park!
