

St. Louis Cardinals

Busch Stadium

The New Cardinals Ballpark is scheduled to open in the spring of 2006. As you can see from the computer-generated images in our photo gallery, the new ballpark distinguishes itself from Busch Stadium in several exciting ways. The Cardinals' team museum--one of the best in all of baseball --will also be located in the Ballpark Village.

The capacity of Busch Stadium is over 56,000. This gives you the opportunity to deliver your message to over 56,000 people on their way to the game!
